## TEACHERS' ORDER BLANK

# Penny Packet Seeds for School and Home Gardens

**Information for Teachers** This Order Blank printed in Red is for your use only. Do not give it to any of the pupils as it is intended for your use in making your selection of Free Commission seeds as well as the kinds you may wish to buy. The other two order blanks, one in black and one in green have been specially prepared for school children. One will be provided for each family represented in your schools. Where there are two or more pupils from the same home, please request them to combine their orders on one order blank. Please explain to the children that individual orders must be not less than five cents, as we can not accept orders for less.

**Free Seeds for Teachers** While we have done everything possible to cut the work of the teacher to the minimum in connection with handling a school order, we realize that you are entitled to some compensation for the work you do in distributing the literature and forwarding the orders to us. For this you may select FREE SEEDS to the value of ten percent or one free packet for each ten packets ordered by your pupils. Be sure to fill in the blanks on last page, stating amount of commission credit, also amount of cash enclosed for your order. If your pupils order both seeds and shrubbery or bulbs, you may select your commission in either seeds, shrubs or bulbs, but if only seeds are ordered, seeds only may be selected as commission. Remember, you must use this TEACHERS' ORDER BLANK (printed in red) for your commission seeds.

**Delivery Charges Prepaid** Delivery charges on all items, including literature, will be prepaid by us. Each individual order for seeds will be enclosed in a sealed envelope with cultural instructions and the pupil's original order blank attached thereto so that you will not be inconvenienced in delivering them when received.

**Facilities Quadrupled** Since the close of last season's trade, we have moved to our new permanent location, 5700 Detroit Avenue, where the most complete and modern equipment has been installed for successfully handling Roses, Shrubs, Vines, Bulbs, etc. To guard against delays in filling orders, a large part of our stock will be in our cellars by January 1st, instead of March or April as in former years.

**Prompt Service** With the improved facilities now at our disposal, our aim this season will be to fill all orders within two or three days from receipt. Seeds will usually be packed and shipped separately.

**Terms** Make all remittances by Postal Money Orders, payable to The Children's Flower Mission. Select extra seeds to cover cost of same. Please don't send stamps for amounts over 25 cents, as we receive many more than we can use.

**Our Guarantee** That all seeds offered for sale are grown for us by growers of unquestionable reputation, and that they show a satisfactory percent of germination in our tests. That all Bulbs, Roses, Shrubs, etc., are clean healthy stock, carefully inspected under governmental supervision upon arrival in our cellars. That no stock of any nature shall at any time be added to our lists that we do not believe will give general satisfaction.

**To Back This Guarantee** If after careful planting, care and cultivation, any seed or other stock does not prove satisfactory, and the teacher or individual in charge believes that failure is due to quality or condition of stock when received, we will adjust matters to your satisfaction, either by replacing the stock, or if too late, by voucher good for 10 percent additional value in other stock.

**Read This** The nominal prices herein quoted on seeds are conditional on a quantity being ordered together. We cannot accept individual orders for only a few packets to be delivered separately, as the clerical work, packing, postage and handling would cost more than the value of the seeds. We must therefore request that on direct individual orders amounting to less than 25 cents, an additional 5 cents be included to cover charges mentioned above. This does not apply on school or other orders where a number of orders are sent together. In case you do not intend to handle the orders personally, please emphasize this point to the children.

THE CHILDREN'S FLOWER MISSION, Cleveland, Ohio

# SUMMER FLOWERING BULBS

On this page we list a carefully selected assortment of popular, easy growing, summer flowering bulbs, roots, and tubers. Much of this stock we grow ourselves in our nursery at Rocky River. Others we contract with special growers in Europe and America, in large quantities, in some instances two to three hundred thousand of a kind, which enables us to quote prices much lower than similar stock is generally sold. We guarantee everything to be as represented.

Number Ordered				Total Price
301	<b>Anemone</b> (Wind Flower)	The Irish or Poppy-flowered Anemones are showy, tuberous-rooted flowering plants, that deserve to be more generally planted. The flowers are large single and semi-double, white, pink, red, blue, etc., of very easy culture. Cultural instructions with each order. Mixed colors.	12 Roots for 20 cts.	
302	<b>Caladium</b> (Elephant Ear)	Splendid decorative plants, having very large leaves. Require moist, rich soil.	10 cts.	
303	<b>Canna Roots</b>	Popular and satisfactory plants for beds on the lawn where a tropical effect is desired. We supply them only in dry, dormant roots, that should be started into growth in a box, in a warm room. Set of four varieties, red, yellow, spotted and margined. Not labeled.	Set of Four for 20 cts.	
304	<b>Chlidanthus Fragens</b>	A fine new bulb, resembles an Amaryllis. Bright golden yellow, fragrant flowers in clusters. Starts to grow and bloom as soon as potted. Strong blooming bulbs. 2 bulbs for 15c.	8 cts.	
305	<b>Dasheen</b>	Introduced by the U S Government from Trinidad. The tubers are recommended for food. Served in various ways like potatoes. (Also a valuable decorative plant for the lawn, its large showy leaves rivaling the Caladium or Elephant Ear. Very productive in the South and should be tested in every school and home garden in the North.	5 cts. each 6 for 25c	
306	<b>Dahlia Roots</b>	We are pleased to advise our many thousands of patrons that we have arrangements with a trustworthy Dahlia Specialist to supply us a special collection of Dahlia Roots, comprising one each of Fancy, Show, Decorative, Pompon, Cactus, and New Single. These dormant roots, one of each variety will be carefully packed to insure safe delivery, but they will not be labeled. Sold only in sets of six distinct types.	Set of Six Dahlias Not Labeled 35 cts.	
307	<b>Named Show Dahlias</b>	We have a limited number of the following four choice named varieties of Show Dahlias. All perfectly double and distinct in colors.	The Four for 40 cts.	
308	<b>PRINCESS VICTORIA</b>	Clear Canary Yellow. The best pure yellow Show Dahlia in existence.	15 cts.	
309	<b>A. D. LIVONI</b>	Clear soft shell pink. Perfect form. A great favorite.	10 cts.	
310	<b>FASCINATION</b>	Bright rose-pink. Very double. One of the best	10 cts.	
311	<b>WM. AGNEW</b>	Immense, perfect flowers with broad petals. Intense glowing scarlet.	10 cts.	
312	<b>Lace Fern</b> (Asparagus Plumosus)	A most elegant house plant for the home or school room, its graceful, arching, lace-like, filmy foliage rivaling the delicate beauty of the finest Maiden-Hair Fern. Unsurpassed as a specimen plant for jardiniere. Very easy culture.	10 cts. Three for 20 cts.	
313	<b>Fairy Lily</b> (Zephyranthis or Zephyr Flower)	Free flowering bulbs from South America having pure white, fragrant, lily-like flowers. Cultural instructions with each order.	4 for 10c 12 for 25c	
314	<b>Gladioli Bulbs</b>	The most popular of all summer flowering bulbs, for the garden or flower beds on the lawn, of the easiest culture. Store the bulbs in the cellar like potatoes over winter. There are hundreds of named varieties, but we confine ourselves to just a few of the very best. The following four named varieties are unsurpassed in their respective colors. You can make no mistake in ordering this set. First size bulbs 1 1/4 to 1 1/2 inches diameter.	Set of Four Bulbs for 10 cts.	
315	<b>AMERICA</b>	Delicate flesh pink. Very large, perfect spikes and flowers	2 for 5 cts.	
316	<b>CHICAGO</b>	White, New. Probably the best pure white variety.	3 for 10 cts.	
317	<b>HALLEY</b>	Very early. Large salmon pink, lower petal blotched yellow	2 for 5 cts.	
318	<b>MRS. FRANCIS KING</b>	Very large spikes. Light vermilion scarlet. Extra fine.	2 for 5 cts.	
319	<b>Popular Set Gladioli</b>	We have a half-million bulbs in seven popular varieties, in what we call first size planting stock, averaging a half inch or more in diameter. Every bulb guaranteed to produce a fine spike of flowers this year. We do not hesitate to recommend this set, as it gives you a fine collection of popular varieties at a nominal expense. The following are the varieties: AMERICA, flesh pink; ANNA WIGMAN, light yellow; BARON HULOT, purplish-blue; HALLEY, salmon-pink; MRS. FRANCIS KING, vermilion-scarlet; PINK BEAUTY, early pink; PRINCEPS, scarlet blotched white. The set of seven varieties not labeled for 10 cts.	Set of Seven Varieties for 10 cts.	
320	<b>Mixed Gladioli</b>	A grand mixture including all the above and many other varieties and types, producing an almost endless variety in form and color. Extra large bulbs.	12 for 20c 100 for \$1.25	
321	<b>Gladioli Bulblets</b>	Here is your chance to get a quantity choice of Gladioli Bulbs for almost nothing. We will mail you a large packet containing 200 or more bulblets (small black bulbs about the size of Sweet Peas) for only 20 cents. Plant them thinly in a row in the garden as you would grow onion sets, and they will produce bulbs that will bloom next year. Cultural instructions printed on each packet. Many finest varieties mixed.	200 Bulblets for 20 cts.	
322	<b>Madeira Vine</b>	Very rapid climbing vines for arbors, porches, etc. Glossy green foliage and fragrant white flowers. Winter tubers in cellar like potatoes.	3 for 10c 7 for 25c	5 cts.
323	<b>Oxalis "Shamrock"</b>	Summer flowering bulbs for borders or hanging baskets. Bright, rose-colored flowers in great profusion.	12 for 10 cts.	
324	<b>Ranuncules</b>	A charming tuberous rooted plant from Asia that should be better known. They bloom freely in June and July. Flowers about two inches in diameter and perfectly double, in great variety of color. Small dormant dry roots resembling miniature Dahlia roots, easy culture. Instructions furnished with each order. Many colors, mixed. Sold only in collections of a dozen roots.	Price 15 cts. per Dozen	
325	<b>Tuberose Bulbs</b>	No flower is more fragrant than the Tuberose. They are of easy culture, producing their tall spikes of fragrant flowers from midsummer to frost. First size blooming bulbs	The Two Kinds for 7 cts.	
326	<b>Excelsior Double Dwarf Pearl</b>	The best double white variety.	3 large bulbs	10 cts.
327	<b>Albino or Orange Blossom</b>	Extra early, fragrant, single white.	3 large bulbs	10 cts.
328	<b>Tritoma</b> (Red Hot Poker or Torch Lily)	The new everblooming Pfitzeni, decidedly the best variety. Large orange-red flower spikes from July to October. Always attracts attention. Dormant roots guaranteed to bloom freely this year.	Price 15 cts. 2 for 25 cts.

# Hardy Herbaceous Roots and Bulbs

All items on this page are perfectly hardy, requiring little or no protection during winter. They increase in size and beauty from year to year. No home is complete without a well selected assortment. Our prices will be found to be very low considering quality of stock we handle.

Number Ordered			Set of Four Not Named	Total Price
331	<b>German Iris</b> ("Fleur de Lis")	Very popular, old-fashioned, hardy garden favorites, requiring little attention. Splendid for permanent borders along the driveway or edge of shrubbery. They are so cheap that everybody can afford to grow them. We have selected four of the most distinct and desirable varieties as described below. We know of no plant more easily grown and requiring so little care.	20 cts.	
	332 <b>Florentina</b>	Ivory white tinged lilac. Very early bloomer. 5 for 25 cts.	6 cts.	
	333 <b>Honorable</b>	Golden yellow standards: Falls crimson-brown 6 for 20 cts.	5 cts.	
	334 <b>Mandrelisca</b>	Rich lavender-purple. Extra large and handsome. 4 for 20 cts.	7 cts.	
	335 <b>Pallida Speciosa</b>	New, extra large variety. Color, delicate light-blue 4 for 25 cts.	8 cts.	
336	<b>Japanese Iris</b>	Kaempferi. The largest and finest of all the Iris family. Flowers of immense size, 6 to 8 inches across, on tall stiff stems and comprising the most beautiful and delicate colors and shades of blue, purple, lavender, pink, white, etc. Perfectly hardy everywhere. Our stock is direct from Japan and includes a mixture of many varieties. Strong roots that should bloom this year. Never before offered at such reasonable prices. Do not ask for separate colors.	6 cts. Each	
337			Six for 25 cts.	
338	<b>Hardy Gypsophila</b> ("Angels' Breath")	Large panicles of very fine spray-like fragrant white flowers. Unexcelled for bouquets. 2 year roots. 2 for 15 cts.	8 cts.	
339	<b>Meehan's New Marvel Hibiscus</b>	This is probably the most valuable hardy Herbaceous plant that has been introduced in recent years, and always attracts attention. It is of vigorous habit, forming large clumps or bushes, 5 to 6 feet across. The tops die to the ground in November and should be removed, new shoots springing from the roots each spring. The flowers are of large size, often 5 to 6 inches across, in bloom continually from July to October. Strong one year old dormant roots that will bloom this year. Prevailing colors, crimson, pink, white, but cannot guarantee specific colors.	10 cts. Each	
340			Three for 25 cts.	
341	<b>Kudzu Vine</b> (Puereria Thumbergia)	Rapid climbing, tuberous rooted vine. Climbs 40 to 50 feet in one season. Large leaves and dense shade. Rosy purple pea-like flowers in August and September.	10 cts. 3 for 25 cts.	
342	<b>Hardy Garden Lilies</b>	Every garden should contain a selection of choice hardy garden Lilies, as no other flower can approach them in their distinct exquisite type of beauty and fragrance. For best success plant 5 or 6 inches deep in deeply cultivated soil. We have selected only the most popular and satisfactory varieties.	The Set of Four 50 cts.	
343	<b>Auratum or Gold Band</b>	The largest and most beautiful of all lilies.	15 cts.	
344	<b>Speciosum Album</b>	Fragrant pure snow white. Beautiful reflex petals.	15 cts.	
345	<b>Giganteum</b>	The hardy Easter Lily. Pure white trumpet-shaped fragrant flowers.	12 cts.	
346	<b>Rubrum Magnificum</b>	White with crimson band, dotted maroon.	12 cts.	
347	<b>Day Lily</b> (Funkia Grandiflora)	"Plaintain Lily". Hardy garden favorite, forming large clumps of massive foliage, and numerous clusters of fragrant lily-like snow white flowers in July and August. 2 for 15 cts.	8 cts.	
348	<b>Variegated Day Lily</b>	A splendid variegated plant for borders or to grow as single specimens. Large creamy white foliage margined green. A beautiful pot plant for early spring. 12 for 75 cts.	8 cts.	
349	<b>Lemon Lily</b>	A splendid hardy plant that should be in every garden. Forms large clumps, producing in June many clusters of fragrant lemon yellow lily-like flowers. 3 for 25 cts.	10 cts.	
350	<b>Lily of the Valley</b>	No garden should be without a bed of these delicate little fragrant flowers. They are perfectly hardy everywhere, succeeding best in a moist shady place. Once planted they will take care of themselves, increasing in quantity from year to year, producing an abundance of fragrant flowers.	3 Roots 10 cts. 10 Roots 25 cts.	
351	<b>Chinese Peonies</b>	First of all in the list of hardy plants for size and beauty. As hardy as an oak, forming large clumps or bushes. Should be in every garden in the land. A Millionaire can have nothing finer, and no flower will succeed better for the common gardener. We list them in separate colors, but not named varieties. Our prices are lower than they have ever before been listed.	Set of Three for 45 cts.	
	352 Dbl. White 17c	353 Dbl. Pink 17c	354 Dbl. Red 17c	
355	<b>Hardy Phlox</b>	One of the most desirable classes of hardy plants for the garden or lawn. Once planted they require no further attention, increasing in size and beauty from year to year. The splendid large panicles of flowers are produced in July and August. If the first flowers are cut they will bloom again in September. Four following varieties.	Set of Four Phlox 35 cts.	
	356 <b>Athis</b>	Large panicles, bright salmon-pink, vigorous habit.	10 cts.	
	357 <b>Bridesmaid</b>	Blush-white, with red eye, dwarf habit, very fine.	10 cts.	
	358 <b>Madam P. Langier</b>	Probably the best bright-red variety grown.	10 cts.	
	359 <b>Von Lassburg</b>	Large snow-white panicles, the best early white.	10 cts.	
360	<b>YUCCA</b> ("Adam's Needle")	Hardy plants with dark green bayonet-like foliage and tall spikes of white drooping flowers. Strong. 2-year roots.	10 cts. Three for 25 cts.

# HARDY FLOWERING SHRUBS

Every home should be surrounded by a carefully selected assortment of hardy shrubs. By careful selection a continual succession of flowers may be had throughout the season. Once established they require little attention, increasing in size and effectiveness from year to year. The following list of varieties has been selected with great care, and contains only varieties of real merit. The stock we handle is strong one and two year old, field grown, dormant stuff. Such as is usually sold at 15 to 25 cents each. Usually 15 to 24 inches high, but carefully cut back ready for planting, before shipping.

Number Ordered			Total Price
361	<b>Althea Dbl. White</b>	A grand flowering shrub. Perfectly double white flowers continually from July to October	9 cts.
362	<b>Althea Dbl. Red</b>	A splendid companion to the double white. Altheas always grow into neat upright shrubs.	9 cts.

376	<b>Purple Fringe</b> ("Smoke Tree") (Rhus Cotinus)	A very attractive shrub. Should be more generally planted. Curious fine fringe-like purple flowers. 8 to 10 feet.	9 cts.
377	<b>California Privet</b>	Very popular hedge plant. Also pretty for specimen shrub or groups. Can be sheared to any desired shape.	12 for 85 cts. 100 for \$4.75 8 cts.
378	<b>Snowball</b> (Viburnum Opulus)	A well-known old favorite shrub, covered with great white balls of snow in May and June. Height, 6 to 8 feet. 3 for 30 cts.	12 cts.
379	<b>Snowberry</b> (Symphoricarpos Racemosus)	Pretty small pink flowers in June, followed by waxy-white berries in autumn and early winter. Very popular. 3 to 4 feet.	8 cts.
380	<b>Spirea</b> (Anthony Waterer)	A splendid new dwarf shrub, having a profusion of large rose-crimson Corymbs throughout the summer and fall. 2 feet. 12 for 80 cts.	9 cts.
381	<b>Spirea</b> ("Bridal Wreath") (Van Houtte)	The grandest of all Spireas. The branches bending with graceful snow-white flowers in June. Fine for hedges. 4 to 6 feet. 12 for 80 cts.	9 cts.
382	<b>Wiegelia Rosea</b>	A beautiful shrub of vigorous habit, 4 to 6 feet high, covered in June and July with a profusion of bright pink flowers.	10 cts.
383	<b>Complete set of 22 Hardy Shrubs (Nos. 361 to 382)</b>		<b>for \$1.90</b>
<b><u>Buddleia "BUTTERFLY BUSH" or Summer Lilac</u></b>			
384	This valuable new shrub has attracted more attention than any other shrub that has been introduced in many years. It is a rapid growing deciduous shrub that dies to the ground every winter. Early in the spring the tops should be removed when new shoots will spring from the ground. It produces large, tapering, graceful panicles from the point of every shoot, each containing hundreds of small very fragrant lilac-colored flowers, which attract hundreds of butterflies. Hence the name "Butterfly Bush." We offer strong one year old dormant field grown roots, with the tops cut back ready for planting. Will bloom freely the first year. Price, 15 cents.		
385	<b>Hardy Climbing Vines</b>	Nothing adds more to the attractiveness of any home than a few well chosen Hardy Vines. For porches, windows, arbors, etc., and for covering out-buildings, old fences and other unsightly places they are indispensable. We list only a few of the most desirable varieties. They will all be strong, dormant, one and two year old field grown plants.	<b>Set of Six Hardy Vines 70 Cts.</b>
386	<b>Ampelopsis Veitchii</b> (Japan or Boston Ivy)	Popular hardy climbing vine that clings to and completely covers any brick or stone wall.	3 for 25c 12 for 85c 10 cts.
387	<b>Clematis</b> (Paniculate or "Snowbank")	Sweet scented Japanese Clematis completely covered in September with a mantle of pure snow-white fragrant flowers. 2 for 25 cts.	15 cts.
388	<b>Dutchman's Pipe</b> (Aristolochia Sapho)	A magnificent, hardy, rapid climber. Immense heart shaped leaves, overlapping each other, forming a dense shade.	20 cts.
389	<b>Honeysuckle</b> (Hall's Japan)	Very rapid climber. Evergreen foliage, creamy-white fragrant flowers from June to August. A most satisfactory vine to plant. 3 for 25 cts.	9 cts.
390	<b>Honeysuckle</b> (Scarlet Trumpet or Sempervirens)	Quite distinct from Hall's Japan. Trumpet-shaped scarlet flowers in clusters. A strong vigorous climber. 3 for 25 cts.	9 cts.
391	<b>Chinese Wisteria</b>	Hardy rapid climbing vines, having large clusters of light-purple, very fragrant flowers in June and July. Increase in size and beauty each year.	15 cts.

# Hardy Hybrid Perpetual Roses

These are the beautiful "June Roses" that are so popular everywhere for rose beds, hedges, etc. They are the largest, richest in coloring, and most fragrant of all roses. They are perfectly hardy everywhere. There are more than one hundred varieties of Hybrid Perpetual Roses. We have selected only four of the most popular and desirable varieties all of which are quite distinct in color. The plants we offer are strong, well rooted, dormant, field grown plants that will bloom freely this season.

No. Ordered

Total Price

392	<b>Frau Karl Druschki</b>	"White American Beauty." Very large size, pure snow-white. Very free perpetual bloomer. A grand rose in every respect.	20 cts.
393	<b>General Jacqueminot</b>	The famous red garden rose. Its delightfully fragrant flowers are a brilliant glowing crimson. Very popular everywhere.	18 cts.
394	<b>Mrs. John Laing</b>	An exceptionally handsome rose of vigorous growth and fine habit. Color soft satiny shell pink. Very double and fragrant.	18 cts.
395	<b>Paul Neyron</b>	The largest rose in existence. Sometimes called the "Peony Rose." Color bright cense-red. Mammoth, full, double, fragrant flowers. A perpetual bloomer.	25 cts.
396	<b>Above Set of four Hybrid Perpetual Roses for 75 Cents.</b>		

## New "Perkins" Set of Hardy Climbing Roses

This is the most desirable type of climbing roses to plant. They are far superior to the "crimson Rambler" class in every way, being more vigorous, and not subject to mildew, retaining their glossy green foliage throughout the season. For profusion and quality of flowers they have no equal. We have 25,000 of these plants ready to fill orders.

397	<b>Dorothy Perkins</b>	The original "Perkins" rose, and the most popular pink climbing rose. Clear shell-pink double flowers, borne in immense clusters. Very vigorous.	15 cts.
398	<b>Excelsia (Crimson Perkins)</b>	Intense brilliant crimson double flowers in immense clusters. Better in every respect than the popular Crimson Rambler. Try it.	15 cts.
399	<b>White Dorothy Perkins</b>	A magnificent pure white climbing rose, identically like Dorothy Perkins except in color.	15 cts.
400	<b>Above Set of three Perkins Climbing Roses for 40 Cents.</b>		

401	<b>Climbing American Beauty</b>	Unlike the Perkins climber this grand rose produces large, perfectly double flowers $2\frac{1}{2}$ to 3 inches in diameter, singly on long stems, each branch being surmounted by one splendid flower. The color is clear glowing crimson, the real American Beauty color. Magnificent heavy glossy green foliage, not subject to mildew. Absolutely hardy everywhere. A rapid climber.	20 cts.
-----	---------------------------------	---	---------

402	<b>Baby Rambler</b>	"Baby Doll Rose". Entirely distinct from all other roses. Neat dwarf compact habit, in bloom continually from June until frost. Pretty little perfectly double flowers in large clusters. Color brilliant crimson. Perfectly hardy, retaining its glossy green foliage all summer. One of the finest ever introduced.	20 cts.
-----	---------------------	---	---------

403	<b>Madam Plantier (Cemetery Rose)</b>	A splendid hardy June rose. Double snow-white flowers in greatest profusion. Fine for home or cemetery planting.	15 cts.
-----	---------------------------------------	--	---------

404	<b>Hardy Grape Vines</b>	Every home if only a city lot, can find room for this splendid set of hardy grape vines. Last year we sold almost fifty thousand of these vines. Strong, one year old, well rooted vines, guaranteed to please you.	Set of Four Grapes 25 cts.
-----	--------------------------	---	----------------------------

405	<b>BRIGHTON</b>	Bunch large, berry medium size. Color wine red. Quality unsurpassed.	8 cts.
406	<b>CONCORD</b>	The best known grape in cultivation. Always reliable. 12 for 75 cts.	7 cts.
407	<b>MOORE'S EARLY</b>	Large blue-black. Very sweet. Two weeks earlier than Concord.	8 cts.
408	<b>NIAGARA "White Concord"</b>	Generally considered the best of all white grapes.	8 cts.

409	<b>Currants and Gooseberries</b>	No home is complete without a few Currant and Gooseberry bushes. They will repay you for the little room they occupy. We have selected five of the very best varieties, and have forty thousand strong, well rooted dormant plants ready to fill your orders. Never so cheap before.	Set of Five for 30 cts.
-----	----------------------------------	--	-------------------------

410	<b>CHERRY CURRANT</b>	Berries very large, bunches short. Color bright red. Best quality.	6 cts.
411	<b>PRESIDENT WILDER</b>	New, bright red. Large bunches, fine quality. Very productive.	6 cts.
412	<b>FAY'S PROLIFIC</b>	The leading red market Currant. Very productive.	7 cts.
413	<b>SMITH'S IMPROVED GOOSEBERRY</b>	Large, greenish-yellow. Thin skin, excellent quality.	8 cts.
414	<b>RED JACKET GOOSEBERRY</b>	Large size, smooth, bright red, best quality. Very productive.	9 cts.

415	<b>New Everbearing Raspberry (Saint Regis)</b>	Here we have something new and valuable.	3 for 15 cts. 12 for 45 cts. 100 for \$3.50
-----	--	--	---

416	<b>Asparagus Roots (Barr's Mammoth)</b>	Buy two year old roots and save two years time.	Price 12 for 25 cts, 25 for 40 cts, 50 for 65 cts, 100 for \$1.00
-----	---	---	---

417	<b>Rhubarb Roots</b>	Every garden should contain a few clumps of Rhubarb. Strong two year old roots for immediate production.	4 roots 25 cts. 12 roots 70 cts.
-----	----------------------	--	-------------------------------------

**READ THIS** The prices herein quoted on bulbs, roots, shrubs, roses, etc., are conditional on a number of items being ordered at the same time. We cannot accept orders for only one or two items to be mailed separately at these prices, as the extra clerical work, packing, postage, etc., would much more than consume the small profit. We are therefore compelled to request that on all orders for less than 50 cents, an additional 10 cents be included to pay for packing. This does not apply to school orders where a number of pupils order together.

If Roses, Shrubs, Bulbs, etc., are ordered early before planting time, please write in opposite space the date you want them sent.

<b>Pe-Tsai</b> Chinese or Celery Cabbage				<b>Petunia, Giants of California</b> We have been fortunate in securing a supply of seed of these marvelous flowers. We saw them in bloom and know that they are the genuine Giant Strain including many varieties and colors, a large percentage being of the beautiful ruffled type. Usually sold at 25 cents per packet. Our price, packet of 150 or more seeds for 10 cents.			
<b>New Honey Dew Melon</b> One of the most valuable novelties introduced in many years. Resembles a light green round watermelon outside, while inside it is a muskmelon with thick green flesh. In quality it is the sweetest and most delicious flavored melon in existence. Packet of about 40 seeds, 3 Cents.				<b>Giant Castor Bean</b> (Zanzibariensis) Very rapid growing decorative plants for the lawn, often attaining eight to ten feet or more in height and spread of branches, with leaves two feet or more across. As an incentive to the children to grow this beautiful plant, we will present free, a splendid Gold Watch, Elgin movement, (value about \$20) to the boy or girl under 14 years old, who will grow the largest plant in 150 days. Don't ask questions, as detailed instructions are printed on each packet. Packet 3 cents.			
<b>Sa-ku-ra-jima</b> Japanese Giant Radish A monster radish from Japan, frequently attaining thirty to forty pounds. Flesh very solid and tender. In Japan they cook it same as turnips. We have the genuine true seed imported by us direct from Japan. Cultural instructions on each packet. Packet of about 30 seeds, 3 cents.				<b>Extra Quality Lawn Grass</b> Package 10 Cents When raking and cleaning up the lawn in early Spring, a small quantity of Lawn Seed is often required to repair the vacant places. To meet this demand we offer an extra quality mixture of pure clean seed, free from chaff, put up in ten cent packages, sufficient for about seventy-five square feet. We guarantee these packages to contain more live seed than the ordinary quart packages that you buy at the corner grocery or drug store, for which you usually pay 25 cents. We do not sell chaff. Also in pound packages. Sufficient for 300 to 400 square feet of lawn. 40 cents per pound postpaid.			
<b>Extra Early Spanish Peanuts</b> Say boys, wouldn't you like to try your luck growing peanuts? The early Spanish variety can be successfully grown in the North. Cultural instructions printed on each packet. Price, large packet, 8 cents.
